   • Greg Leonard, Josh Peterson, and Brooke Ludwig have been appointed to review spoils sites and make recommendations to the Parks and Forest Committee.
   • County Parks and Forest Committee Meeting scheduled for June 15\textsuperscript{th} at 5:30 at Lake Eau Claire County Park

8. Eau Claire River Watershed update:
   • Next meeting is scheduled for June 8th, 2017 at Bridge Creek Town Hall at 5:00pm.
   • Eau Claire River Watershed primary goal is to assist agriculture to manage phosphorous runoff.

9. Lake Management Plan Director report: Rod Zika
   • The proposed plan to assist Lake Eau Claire’s Management Plan is to form a subcommittee of the Watershed Project to address the Eau Claire River Watershed problems and concerns.
• Rod recommends that we should invite Lake Altoona to collaborative meetings to establish a stronger voice in Eau Claire County based on the 2 largest lake communities in Eau Claire County.

• Rod reported the results of the increased high water episodes to the Management Plan. It is Rod’s recommendation to expand the size of the Troubled Waters Trap based on the recent history of high water episodes.

10. **2018 Budget Preparation:**
   • Board reviewed option to present budget based on proposed projects rather than based on mil rate.
   • Plan is to present budget based on sedimentation cleaning projects at Troubled Waters, Gravel Pit, Skid Row, Hay Creek, and Muskrat Creek.
   • The membership will be requested to select the project and that vote will select the required mil rate.
   • The options to present at the Annual Meeting will be selected by the next Board Directors at the next Board Meeting on July 24th, 2017.

11. **Draft Agenda for 2017 Annual Meeting August 19, 2017:**
   • Plan is to use same format as 2016 Annual Meeting Agenda.
