Subject: Permit Transfer Request, Lake Eau Claire Dredging Projects

Dear Messrs. Poss and Orth:

On February 09, 2015 the Department received a letter jointly from the Lake Eau Claire Association (LECA) and Lake Eau Claire Protection and Rehabilitation District (LECPRD) requesting that the permittee would be transferred from the LECA to the LECPRD for permits 3-WC-2002-18-18044LC (and amendments dated 09/22/03, 05/04/05, 09/24/07, and 09/03/08), as well as permits IP-WC-2012-18-05605, -05609 and -05610. Both the president of the LECA and chairman of LECPRD signed the letter in agreement upon this request.

Please accept this letter in response to your request. The Department hereby acknowledges that the permittee is transferred as of February 10, 2015 from the LECA to the LECPRD, for good cause.

If you have any questions, please call me at (715) 839-1600 or email [David.Hon@wisconsin.gov](mailto:David.Hon@wisconsin.gov).

Sincerely,

David Hon  
Water Management Specialist
